

Practical Software Measurement

Practical Software and Systems Measurement

2004 User's Group Conference

***Process Improvement
Measurement Workshop***

***Wed. July 28, 2004
1:45 – 5:30***

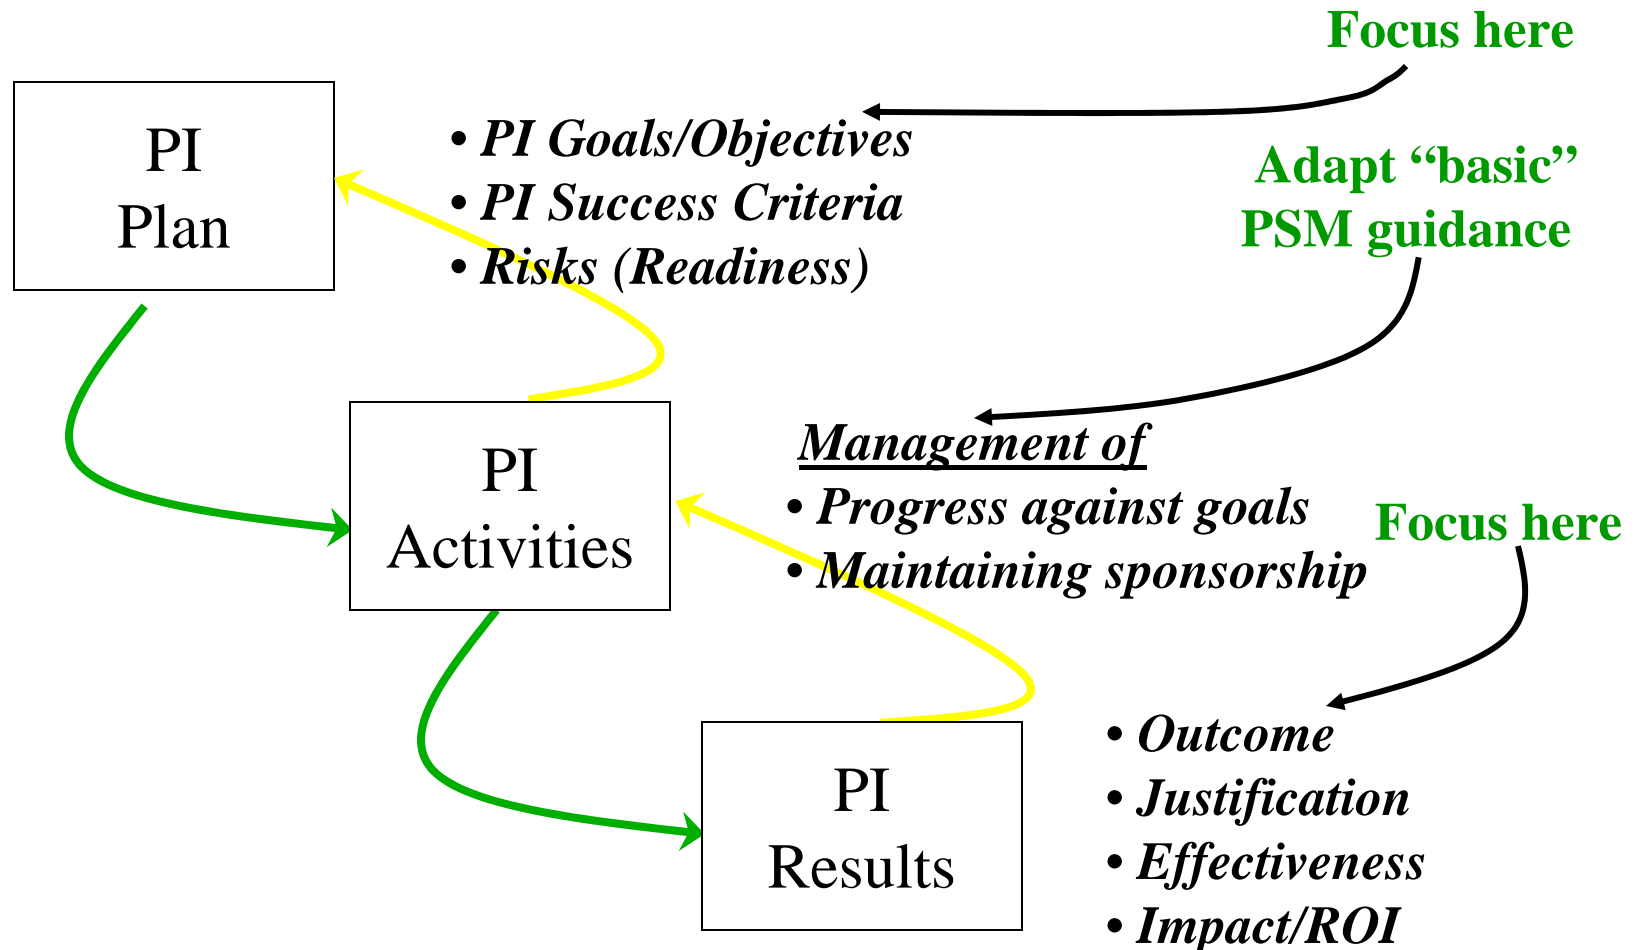

Facilitated by: Dr. Joyce Statz

Workshop Objectives

- ***Comment on the white paper on measurement for process improvement, being submitted to PSM as guidance***
 - ***Based on the material developed in work sessions at PSM UG Conferences and TWG Meetings since 1998***
- ***Establish community acceptance of the guidance, or determine path to get there***

Practical Software Measurement

PI Model (adapted from 1998 PSM UG SPI Workshop)
